EASY FRENCH TOAST EGG MUG SCRAMBLER™

Cinnamon swirl bread, Banquet® sausage and eggs combined in a mug for a quick microwave breakfast, topped with Mrs. Butterworth's® Original Syrup.

Ingredients

- PAM® Original No-Stick Cooking Spray
- 1 frozen Banquet® Brown 'N Serve Original Sausage Patty
- 2 eggs
- 1 slice cinnamon swirl bread, torn into small pieces
- 1 tablespoon Mrs. Butterworth's® Original Syrup

Directions

1. Spray inside of a large microwave-safe mug with **PAM® Original No-Stick Cooking Spray**. Place **Banquet® Brown 'N Serve Original Sausage Patty** in a mug. Microwave on HIGH 30 seconds; blot sausage dry with paper towel.
2. Add eggs and bread to the mug; mix well.
3. Microwave on HIGH 1 minute. Stir; microwave 30 seconds more or until set. Top with **Mrs. Butterworth's® Original Syrup**. Serve immediately.

TIPS

The scrambler puffs up and fills the mug while cooking. It falls quickly once removed from microwave. Use a large (15-ounce) microwave-safe mug to hold the ingredients and to reduce the chance of overflow. Mugs that are wider and shorter work best. A 2-cup glass measure may be used as well. Microwave wattages vary; adjust cook time as needed. Cook the scrambler just until the egg is set.
